

OBSERVATION CHECKLIST

PRACTICAL CHECKLIST2

UNIT: NETWORK DESIGN AND MANAGEMENT

ISCED UNIT CODE: 0612 451 07A

TIME: 2 HOURS

ELEMENT COVERED: INSTALL COMPUTER NETWORK

TOTAL MARKS: 50 MARKS

CANDIDATE DETAILS

Student Name:

Adm No:

Date:

PRACTICAL TASK: COMPUTER NETWORK SETUP AND CABLING

Instructions to the Candidate

You are required to construct a network cable, set up a Local Area Network (LAN) consisting of four computers, a switch, and a wireless router, configure network devices, and verify connectivity. Read all instructions carefully before starting the practical exercise.

CUTTING LIST / MATERIAL REQUIREMENTS

Item	Specification	Quantity
UTP Cat6 Cable	1 Metre	1 Length
RJ45 Connectors	8P8C	2 Pieces
Cable Ties	Standard	4 Pieces
Network Switch	8-Port or above	1
Wireless Router	Wireless Enabled	1
Computers	Network Ready	4
Patch Cords	Ethernet	As Required
Cable Crimper	Networking Tool	1
Cable Stripper	Networking Tool	1
Cable Tester	Networking Tool	1
Screwdriver Set	Networking Tool	1 Set

PRACTICAL OBSERVATION CHECKLIST

TASK 1 OBSERVATION CHECKLIST

Activity	Allocated Marks	Score	Remarks
Selected appropriate tools and materials	2		
Measured and cut cable correctly	3		
Stripped cable jacket correctly	3		
Arranged conductors correctly	4		
Inserted wires into RJ45 correctly	2		
Crimped RJ45 connectors correctly	3		
Tested cable successfully	3		
TOTAL	20		

TASK 2 OBSERVATION CHECKLIST

Activity	Allocated Marks	Score	Remarks
Connected devices correctly	5		
Configured router correctly	5		
Configured IP addresses correctly	4		
Applied cable management	3		

Verified connectivity (Ping test)	3		
TOTAL	20		

TASK 3 OBSERVATION CHECKLIST

Activity	Allocated Marks	Score	Remarks
Verified connectivity between PCs	3		
Verified connectivity to router	3		
Prepared complete network report	4		
TOTAL	10		

SUMMARY OF PRACTICAL OBSERVATION MARKS

Task	Marks
Task 1	20
Task 2	20
Task 3	10

TOTAL PRACTICAL MARKS	50

PRODUCT CHECKLIST (10 MARKS)

Instructions

This section is assessed independently and is NOT added to the 50 practical marks.

PRODUCT CHECKLIST

Product Evidence	Allocated Marks	Score	Remarks
Functional straight-through cable produced	2		
Cable passes tester successfully	2		
Router configured correctly	1		
All PCs correctly IP configured	1		
Successful PC-to-PC communication	1		
Successful PC-to-router communication	1		
Neat cable management applied	1		
Network report submitted	1		
TOTAL PRODUCT MARKS	10
